

July 29, 2020

Dear Craft Show Vendors,

We have made the very difficult decision to cancel the 2020 Old Creamery Arts & Crafts Show. After we were notified of the cancellation of the Little Falls Craft Show on July 17th, we arranged a meeting with the Rice city council and city police chief. Many concerns were identified about the event which resulted in the city denying our large gathering permit. We believed that it was in the best interest of our vendors, guests, and the city of Rice to cancel the show for 2020.

Looking forward...

The approach we would like to take is to apply all 2020 registration fees received to next year's show. This has been a difficult year for many, and we are devastated that our 24th annual show has fallen victim to this already challenging time. We are thankful for your participation, please contact us with any questions.

Sincerely,

Mark, Nate and Sarah Larson
